"What lies behind us and what lies before us are tiny matters compared to what lies within us"

- Ralph Waldo Emerson

Darcy Flowers was one of our founding board members. We said goodbye to Darcy this past January when she moved to the Atlanta area. Darcy has been a foster, foster coordinator, and has been a dedicated volunteer at humane society fundraising and adoption events. Her caring heart has helped save 1,600 animals in Hart County. Though we will miss Darcy she leaves behind a legacy of caring that will be remembered fondly.

Do You Have a ♥ for Hart County Animals?

Amber Pittard has offered to initiate a new fundraising project "Recycling 4 Cash". She will distribute boxes to businesses that will collect empty ink jets, laser toners, laptops, ipods, and cell phones. When ready she will pick them up and mail them in for cash. Help save the environment while raising funds for foster pets.

Donna Bridges is offering to coordinate volunteers. Whether your interests lies in fundraising, or animal care, we are a nonprofit all volunteer rescue group and the animals need your help and support.

Lee Crump is offering to help with foster home inspections and guidance for new fosters. Fostering is a rewarding and live saving experience. If you can foster just one animal you can make a difference in that animal's life.

We are still looking for a special person to coordinate a fencing program for Hart County. This person would research the project and recruit and coordinate volunteers. The humane society will financially support the project.

If you are interested in any of the programs please call or email the humane society.

The Hart County Humane Society meets the second Monday of each month at 6:30 downstairs of the adult learning center at Hart County Library on Benson Street in Hartwell.

If you are interested in fostering an animal we are always in need of long term or short term foster homes. The Humane Society provides for all the animal's needs except daily care and love. Contact Donna at 706-376-1769.
